"ONLY ONE EARTH"

BY MR. SRINIVASALU, IFS

Member Secretary, Karnataka Pollution Control Board
Govt. of Karnataka

ABOUT THE SPEAKER

Srinivasalu is a distinctive person who has always advocated the preservation of wildlife and environment. He is an exceptional officer who has involved himself to the cause in a very special way.

IFS officer from **1997** batch, Srinivasulu is currently serving as the **Member Secretary of the Karnataka State Pollution Control Board**. His Indian Forest Service began at Nagarahole National Park and he went on to work in Bengaluru Rural and Mysore, Kalaburgi, Koppala, and Chitradurga districts.

He brought in new measures which benefitted the lives of the tigers during his tenure as the **Director of Tiger Project at Dandeli's Kali Tiger Reserve**. His documentary on the River Kali garnered the attention of wildlife lovers world over. Few segments of the documentary was released by Hon'ble Prime Minister Narendra Modi at the **COP 21 Summit meeting held in Paris**.

University of Agriculture **Gold medalist** Post grad in Molecular Biology & Bio Technology. **10th Rank** IFS exams Top rank Ph.D. Program **2nd Rank** All India IARI exam.
